## First Responders FREE Dues

Our San Diego community has it's share of first responders and active duty military. We can give back by offering them their first years dues FREE. Help the Lodge and your local heroes and bring them into the Moose family. From January 1st through April 30th, 2017. It is our hope that they learn about the great things we do as a Moose in the community as they keep it safe. More info at [www.mooseintl.org](http://www.mooseintl.org)

## Committee Chair Positions Still Open

As of March 1st, The Lodge is still looking for members to help fulfill the duties of the Lodge to our community and our fellow members. It takes a village to raise young members and long time members know the struggles of keeping our Lodge running. Like any non-profit the Moose needs and runs off member participation. Please ask how you can help if for only a half hour or a day you may have free, ask the Governor how you can help continue our Moose traditions and keep our Lodge thriving.

*News from the Governor ~ Ed Williams*

Hello Valued Moose Members,

We are currently in the process of gathering names for new Board members to Nominate for the new Board which will take over on May 1st. I will be moving on to Jr. Past Governor, and our Administrator will be stepping down. We are in great need of members to step up to fill the voids of Governor, Junior Governor, Administrator, 2 Trustee Positions, and Prelate. There are many members that would do a great job of helping this lodge. Without members stepping up to take a turn at helping run the lodge, all the activities and services that are provided will go away. There are signup sheets at the bar if you would like to volunteer, or send me a personal email if you cannot get to the lodge to signup.

We have 2 more months of great activities, dinners, and events planned before the new Board takes over. The Country Dance nights have been a great success for the lodge. It gets many of the members that participate in the Tuesday night Dance Classes a chance to come dance to some of the best bands in San Diego. Sundance will be back on March 4th, and the Jim Allen Band will return on April 15. And, they play more than just country dance music, so everyone who likes to dance will enjoy the night. Watch the calendar at our Website for all that is going on. We sometimes have changes and additions to what is listed her in the Newsletter.

We have the second half of our Property tax bill coming up in April. We have several fund raisers between now and then, and your participation will go a long way to helping us make the payment. If you would like to make a contribution to help with this tax, please send them in now, and note that the contribution is for the Property Tax Only. I will make sure it is used as designated. Thank you Very Much to those who have already provided additional contributions !! If you want to learn more about what our financial responsibilities are made up of, and what it takes to get them paid, please come to a Lodge general meeting. They are on the 1st and 3rd Thursday of every month. I hear lots of questions around the Social Quarters about our finances, but have seen none of the members asking the questions at a meeting. We welcome your input!

Finally, it has been a great pleasure to be your Governor this past year. I have met many people I did not know before, and made many new friends. I am very appreciative of the kind words many of you have blessed me with. My focus has been to make sure members are able to enjoy their Social Quarters, keep our Lodge in good running order, leave the Lodge in better shape than I inherited it. And, I hope the next Governor is able to leave the Lodge better than as I hand it over. I have learned that we need EVERY member to give back to the lodge in whatever way they can. Do not just USE the Lodge without giving back. Whether as a volunteer at the Lodge, by making a monetary contribution, signing up new members, or serving a year as a Board Officer; MooseHeart and MooseHaven depend upon us.

Thank you all for your encouragement and support. I look forward to seeing you at the lodge. And, maybe serving as your Governor again in the distant future if needed. Thank you to all my fellow Board members, to the WOTM for all their Great support, and to ALL the volunteers who have stepped up to help keep the lodge running.

**“Noticing our MOOSE MEMBERS”**

The Lodge would like to reserve a section for those members that go above and beyond to make the Lodge a nicer, better place to enjoy family and friends. This can be giving of time to help clean or just by donating to projects that keep members enjoying the new look and feel of the Lodge. **NOTE: This is just a few of the many that have helped lately!**

A very grateful Chapter 1337 would like to say “THANK YOU” to **Donna James** for the generous donation of all the decorative pillows for the WOTM auction/fundraiser held on 12-17-16.

**\$870.00 was collected that night! WOW!!**

The Chapter would also like to say “THANK YOU” **Bill Schramm**, Auctioneer Extraordinaire and Mira Mesa Lodge member, and **Riny Ledgerwood**, the new and improved Vanna White. You both were excellent at the Chapter’s Pillow Fundraiser and so funny. You both made it a very successful and fun night!

A special “Thank You” to **Riny Ledgerwood** for the donation of the high healed shoe chair for auction as well. The Chapter will use Riny’s purse donations for another Chapter fundraiser in 2017.

Chapter 1337 also sends out a HUGE “THANK YOU” for the VERY GENEROUS donation made to us by one of our very loved Chapter members! Thank you, Thank you, Thank you!! You know who you are. We love you and we are so very grateful for your continued support of this chapter over the years.

***JACK WALKER May 15, 1922 – September 17, 2016***

Jack Walker, a long time Moose member and friend was laid to rest in September of last year. Jack was born in Oakland, CA on May 15, 1922. He had three older sisters and a brother. His mother, Nina loved airplanes and took him to the airport with her. Jack became the protégé of two well-known pilots of that era, Martin Jensen and George Hill. They built a flight simulator to teach him the basics of flight and how to use the controls. At five years old, he was flying in an open cockpit with extended controls. Jack became the youngest pilot to solo and the age of five, which record stands today. He became known as the “Ambassador of the Oakland Airport.” He and his mother, were friends of Amelia Earhart and Charles Lindberg. In 1927-28 he flew throughout the United States and April 18, 1928 was invited to the U.S. Congress. Quite an accomplishment for a six year old. For his 80th birthday, he once again flew an open cockpit bi-plane at Montgomery Field. He was invited to the Oakland Airport to be Grand Marshall of the event and to meet with the grandson of Charles Lindbergh. Not many people are still around that knew THE Lindbergh! Jack’s family moved to Hawaii in the ‘30s. (Great-grandpa started a sugar plantation there in 1858). He attended elementary school through Roosevelt High until 1939 when the family moved to Santa Monica where he graduated from Santa Monica High in 1940. Jack worked for Douglas Aircraft until enlisting in the U.S. Navy in 1942. His career began in the North Atlantic as a Gunner aboard merchant marine convoys to Europe. Later in the Amphibious Forces and UDT units he saw action in the invasions of North Africa and in the Pacific at Leyte, Iwo Jima and Okinawa. A special moment for him was the Mt. Suribachi Flag Raising on Iwo Jima. He was discharged from the U.S. Navy 12/5/45, then served until 1954 in the Naval Reserves. Jack worked at various jobs. In the ‘50s he flew for Golden West Airways and Douglas Aircraft Flight Test Division. In 1961, he started a chemical company in Sacramento (sold it in ‘67) then it was tire and automotive shops in Orange County (sold that in ‘69). In 1970, he founded the Beresford Equipment Company in San Diego, repairing hydraulic compressors. He married Jean in 1949, but lost her to Asian flu in 1969. Later he dated longtime friend (from 1957) Billie, who was also widowed and married her in 1994. Billie along with Jack shared many great times at our Moose Lodge. They had a good life until he lost her in 2010. Jack joined the VFW in Skagway Alaska in 1949 but wasn’t really active until becoming a life member of Post 3788 in 1994. He served one term as Senior Vice Commander. After 9/11 on September 12, 2001 he tried to re-enlist in the U.S. Navy, they appreciated his efforts but declined his request. Jack was always happy to help veterans, but wished that the military would find jobs for the older veterans to release younger personnel with updated experience to be on the front lines. Jack Walker loved America, loved to serve his country. Jack was 94 years old.

Rest in Peace Jack.

# Golden Ball Ceremony

ALL who attended the dinner on Saturday Feb 25th and participated in the Golden Ball Ceremony - THANK YOU - AND you will LOVE this story.

Our child for the Golden Ball ceremony, **Gunner Smith**, who reached up and touched the Golden Ball and passed its luck and good fortune to all of us there has also had some good fortune lately.

Gunner's mother has reported that **Gunner greatly enjoyed the experience, AND, keeps saying we gave him good luck. He won Star Student at school on Monday and says it was all because of US and the Golden Ball Ceremony.**

Great story, and it shows the true power of the Golden Ball.

# Honor Our Community Heroes Through Moose Membership

Each community has its share of local heroes, whether it's a member of the military or a local firefighter or police officer. They are often asked to handle high-risk situations, putting their personal safety in jeopardy. Beyond that, on a daily basis, they are viewed as role models that have the ability to make positive changes for their community and beyond.

## How can the Moose honor these local heroes?

- Through the gift of membership! It's a natural fit for those who look to make the best of difficult situations, just as Moose members try to improve the lives of those they touch as well.
- From January 1st through April 30th, 2017 Moose International will waive all first-year fees and dues for active military personnel and first responders and encourage our lodges and chapters to do the same. If you know someone who is serving our country or provides first responder services for your community, now is a great time to reach out and offer them a membership in the Moose.
- It is our hope that these individuals will learn about the great things we do for children, seniors and our communities, and want to stay involved, step up and even lead on behalf of these noble causes.

**Find more information about this program at [www.mooseintl.org](http://www.mooseintl.org).**

Lodges, Chapters and Moose Legions are encouraged to waive their portion of dues, thus making the membership free the first year for new and re-enrolled members of these special groups. This includes active duty members of the Army, Navy, Air Force, Marines, and Coast Guard, plus Active Reservists; along with individuals working in Law Enforcement and as Firefighters, Paramedics, or Emergency Medical Technicians, regardless of whether they are located in the U.S., Canada, the United Kingdom or Bermuda.
